

**Indian Journal
of Mathematics**
Volume 3, No. 1, 1961

CONTENTS

Fu Cheng Hsiang	
On a theorem Srivastava	1
G. D. Dikshit	
A summability factor theorem on the absolute Riesz summability of Fourier Series	7
P. L. Bhatnagar	
Flow between torsionally oscillating parallel infinite plane discs in the presence of uniform magnetic field normal to the discs	27
K. Ananda-Rau	
On the construction of Quasi-elliptic functions	39
